

# **Clicker V4 Student Manual(Desktop Version)**

## 1. Login

The login form is displayed on a dark grey background. It features a green rounded rectangle containing the following elements:

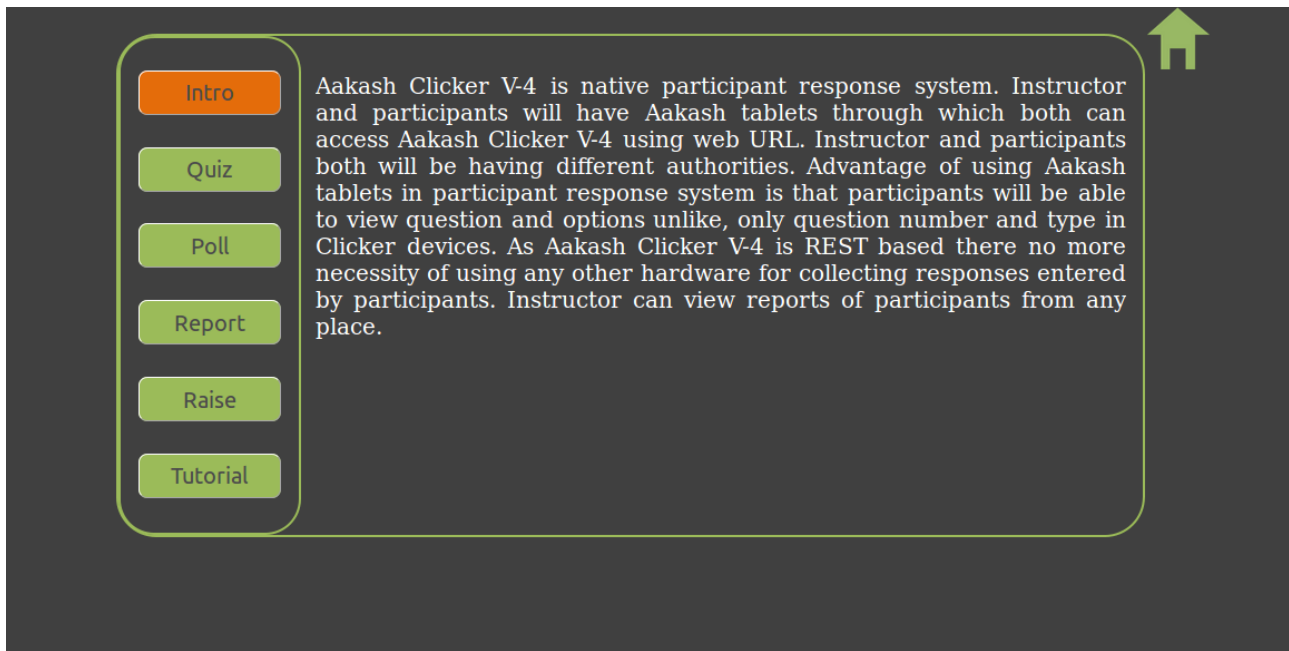

- Enrollment ID**: A label next to a text input field containing the value "201". A red callout box above the field says "Enter the Student ID/ Participant ID".
- Password**: A label next to a text input field containing a single dot ".". A blue callout box below the field says "Enter your Password".
- Register**: An orange button with white text. A pink callout box below it says "Click on Register to Login".

Below is the Home Page after the user successfully Registers.

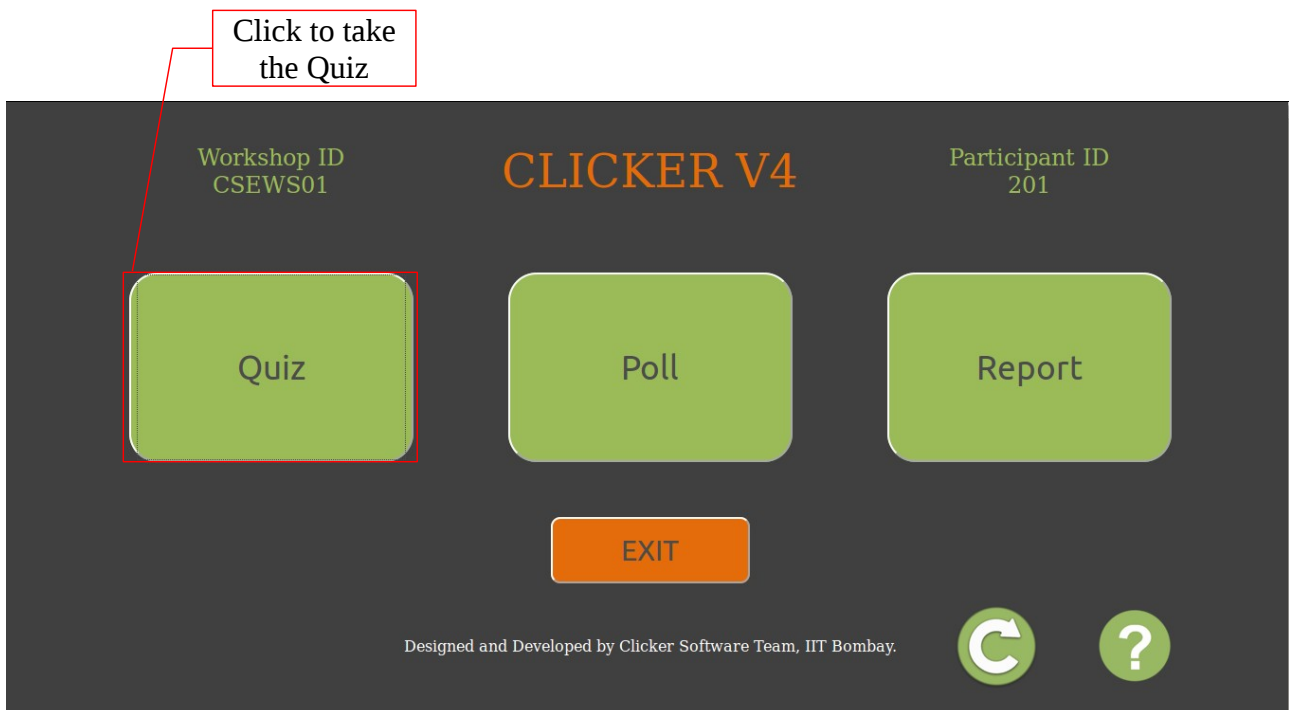

The home page is displayed on a dark grey background. It features the following elements:

- Active Course**: A red callout box pointing to a green box containing "Workshop ID CSEWS01".
- Student/Participant ID**: A blue callout box pointing to a green box containing "Participant ID 201".
- CLICKER V4**: Large orange text in the center.
- Quiz**: A green button.
- Poll**: A green button.
- Report**: A green button.
- EXIT**: An orange button with white text. A blue callout box below it says "Click to Exit ClickerV4 application".
- Refresh button**: A green circular button with a white 'C' icon. A red callout box below it says "Refresh button to check the Active Courses".
- Help Menu**: A green circular button with a white '?' icon. A pink callout box below it says "Click to view the Help Menu".
- Footer**: Small text at the bottom center reads "Designed and Developed by Clicker Software Team, IIT Bombay."

Below shows the Help Menu

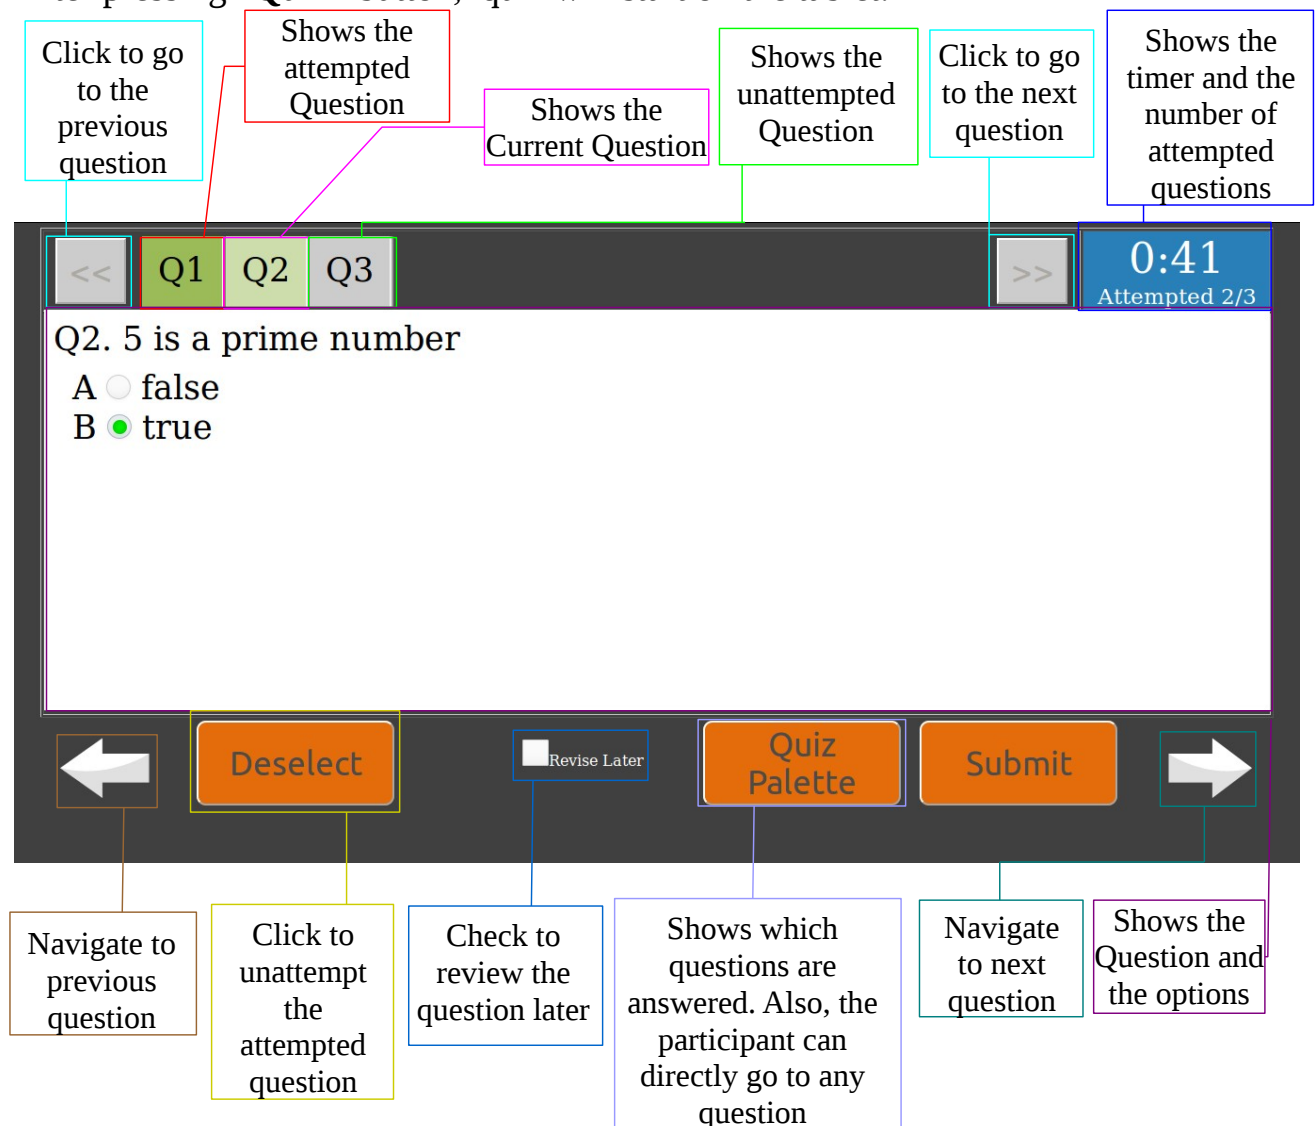

## 2. Quiz

If you click on Quiz and the Quiz is not launched from the Main Center then you get the following alert message.

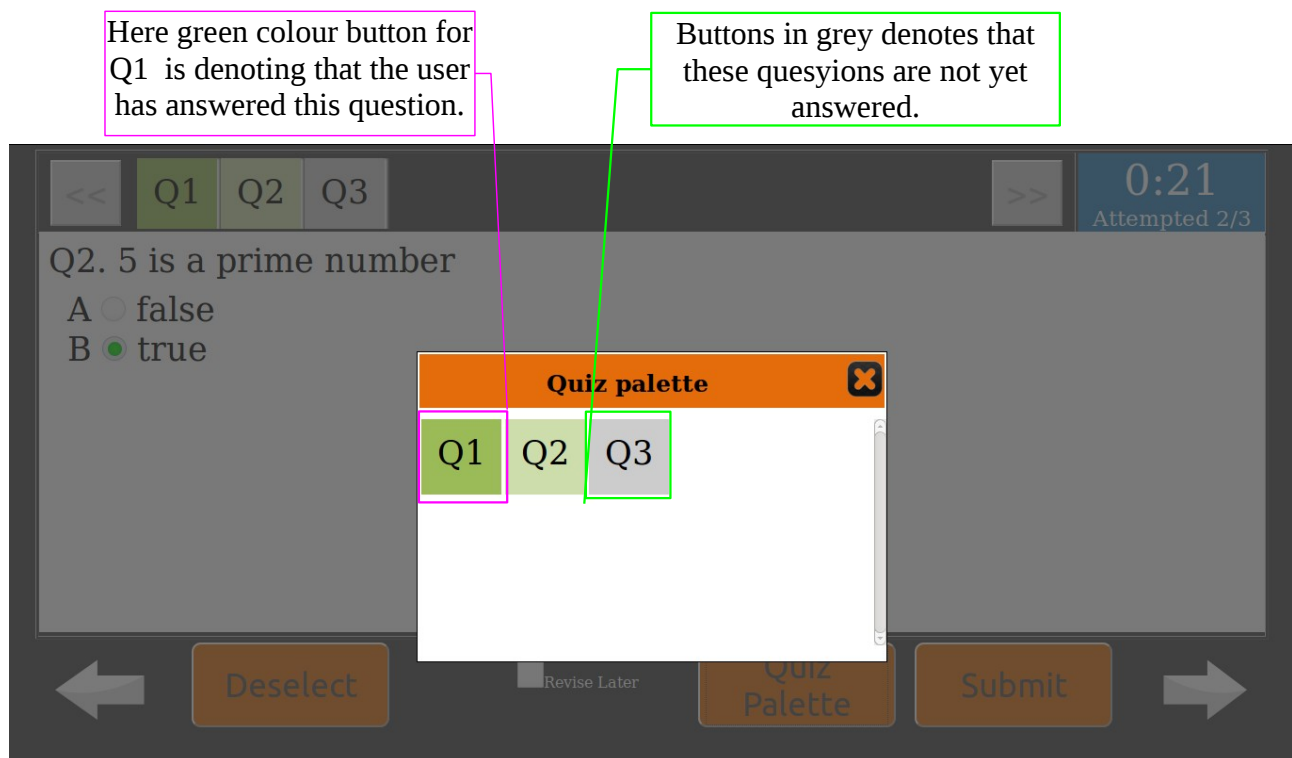

After pressing “Quiz” button, quiz will start on the tablet.

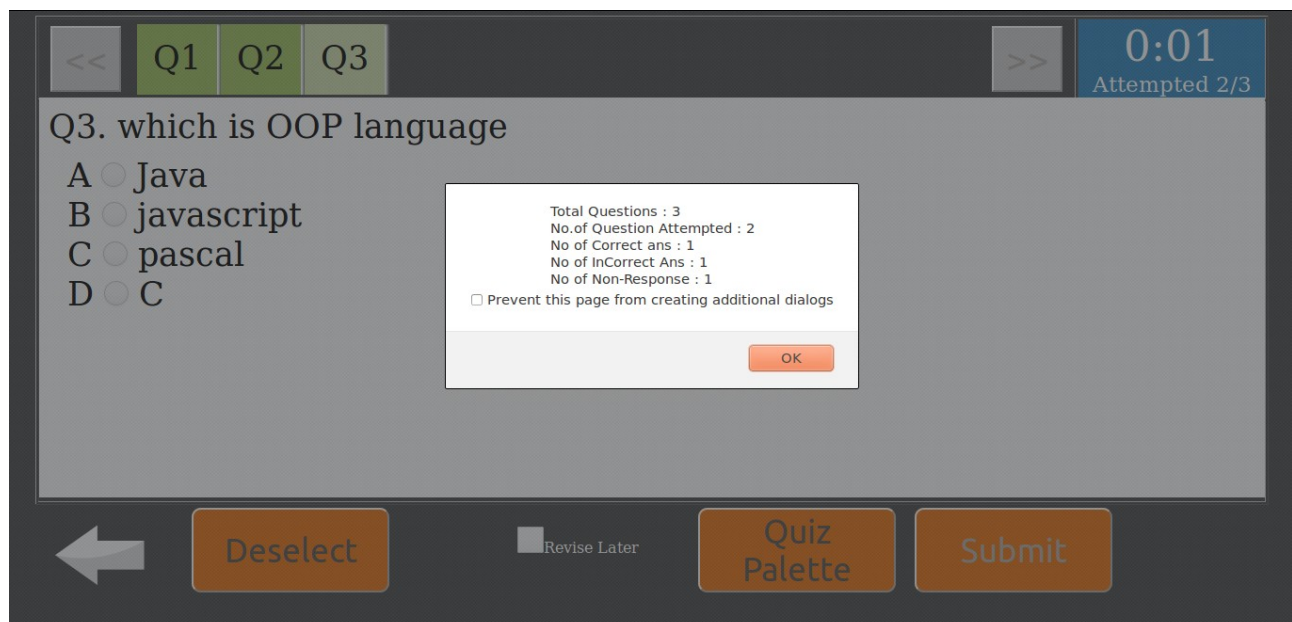

While the Quiz is going on when student answers any question then the color of that question-tab get changed from **Grey to Green**, which helps user to identify that which questions are left and which are answered.

When user clicks on Quiz Palette button one pop up will appear like below:

After submitting the quiz you get a pop up showing attempted, unattempted questions and correct and wrong responses.

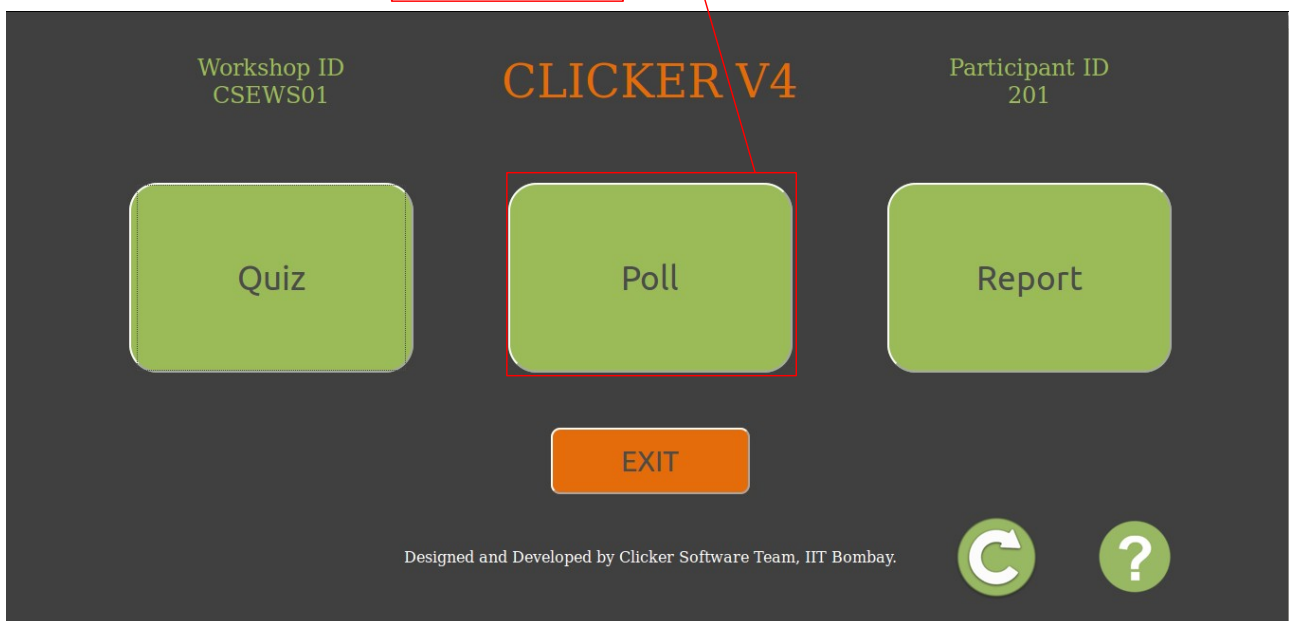

After pressing ok button user will get **Result Page** as shown below.

By Pressing the Home icon  
you can go to Home screen  
Page.

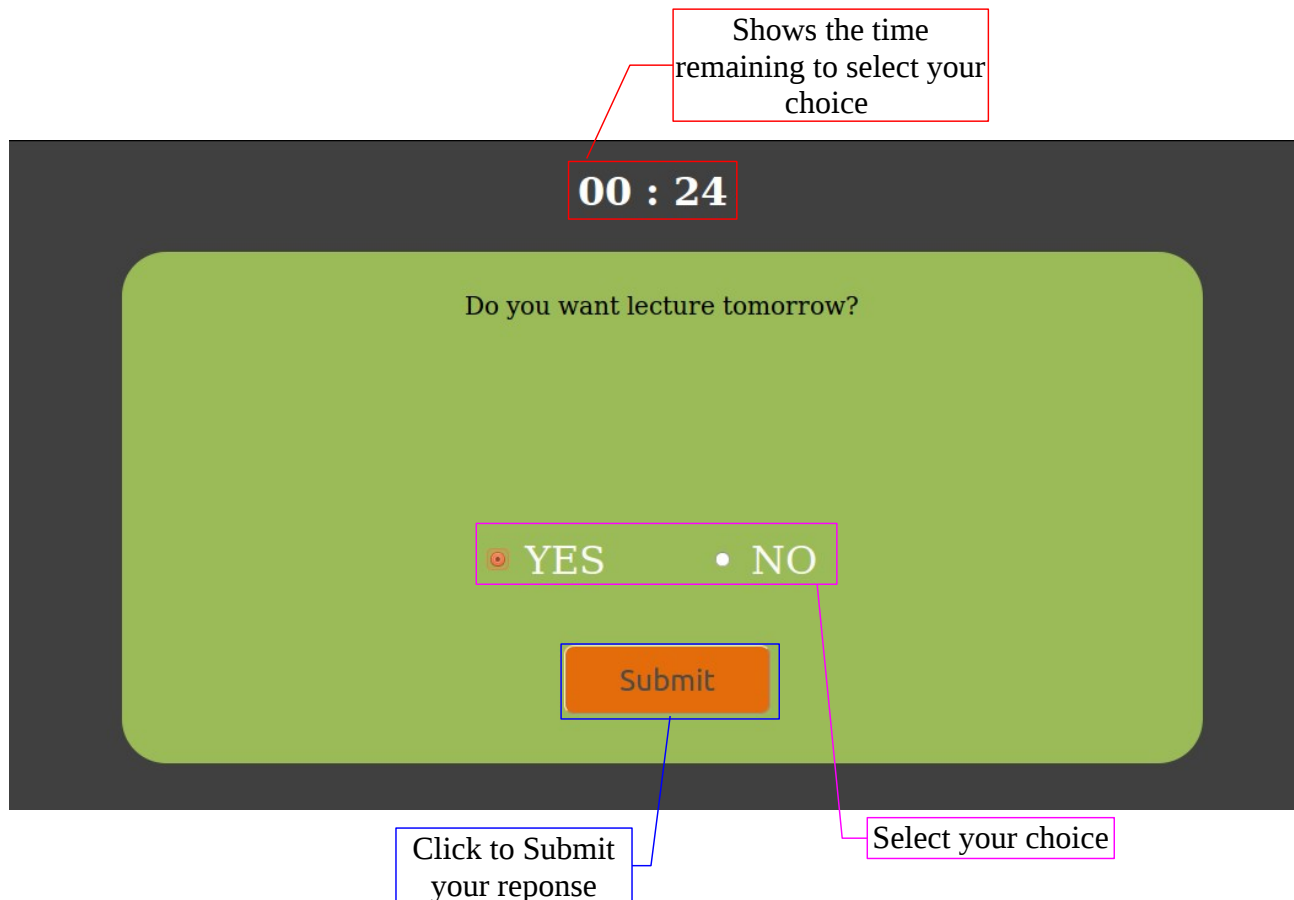

Workshop ID	CSEWS01	Participant ID	201	
Question No	Question	Your Response	Your Response Value	Result
1	which is OOP language	Z	Z	No Response
2	Which of the following countries are considered to be in the Indian subcontinents?	DB	China, Austraila	Wrong
3	5 is a prime number	A	true	Right

### 3. Poll

Click to  
participate in the  
Poll

Following image shows the screen when the student/participant takes the poll launched by the instructor.

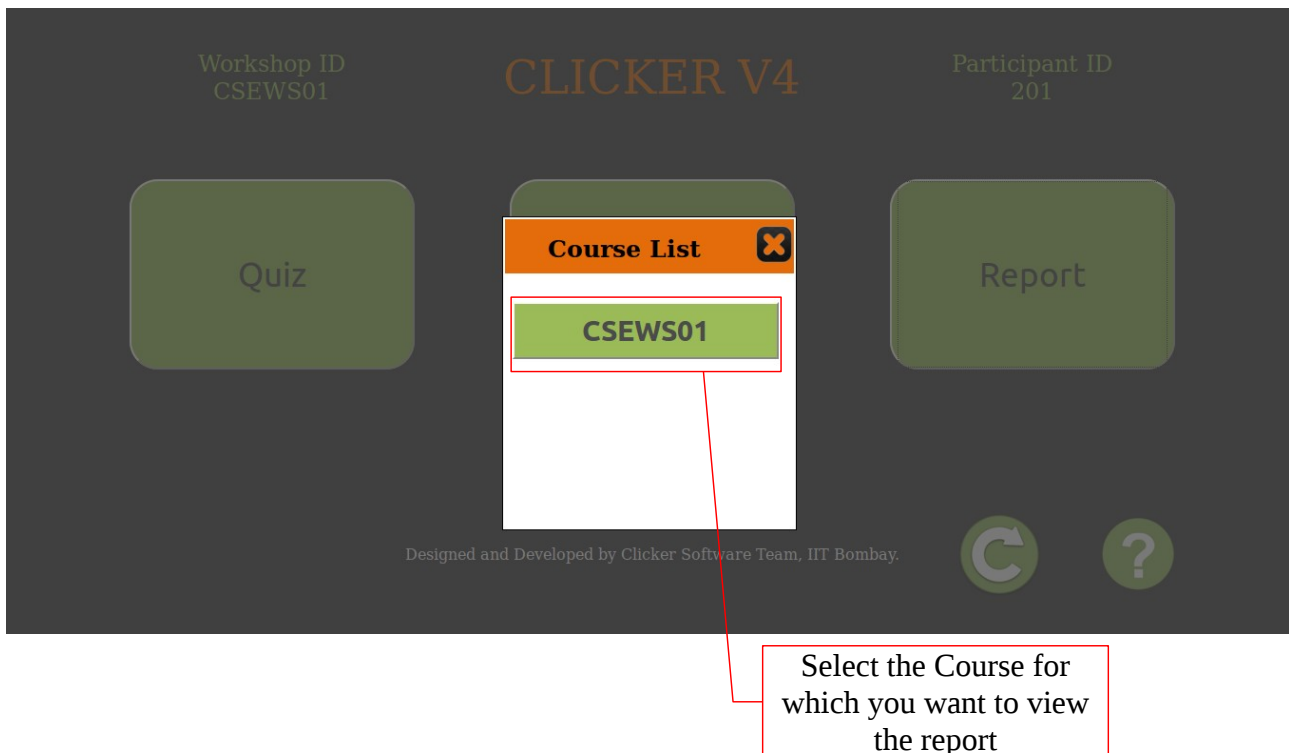

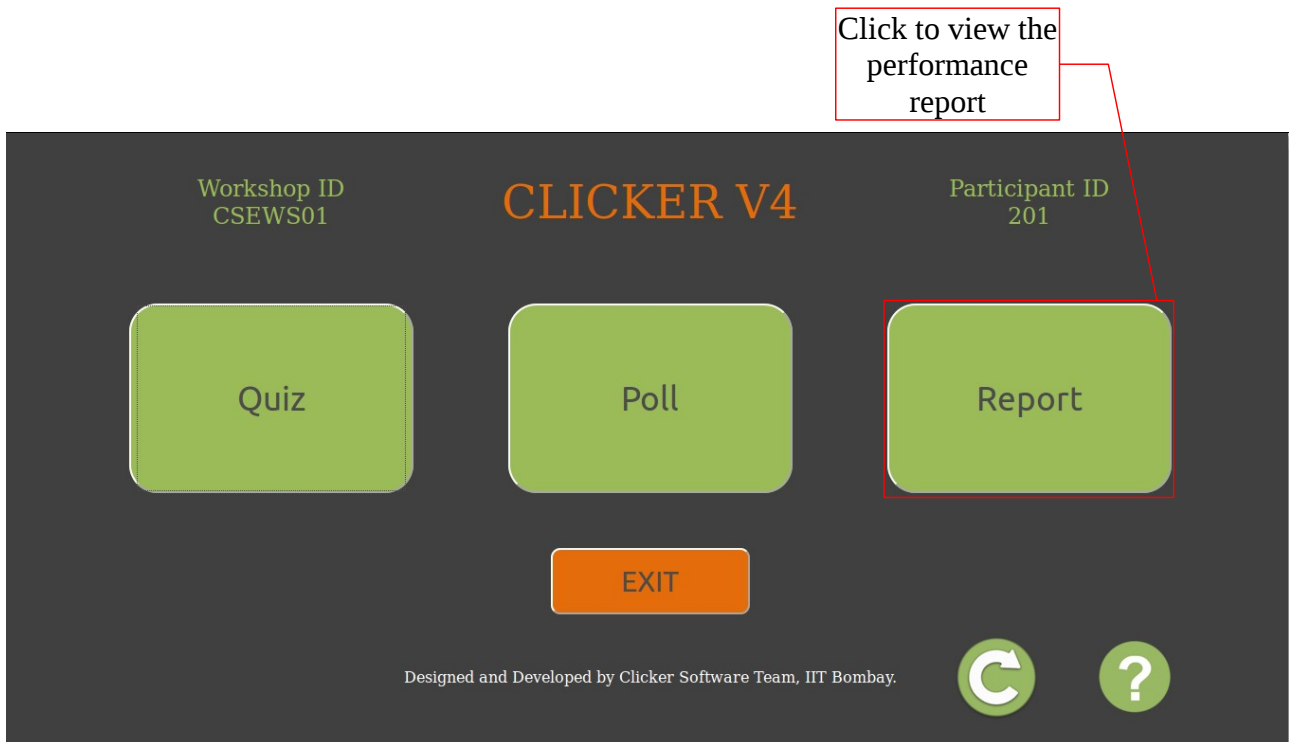

**Note:** Even if you don't click on Submit button, your response will be submitted at the of the timer.

Image below shows when the poll is not launched by the instructor and the student/participant clicks on the Poll button.

#### 4. Report
